

Education Internship - Fall 2026 CORRAL Riding Academy (Cary)

Who are we?

CORRAL is a non-profit organization that acts as an intervention program for at-risk, adolescent girls in the Triangle Area. Our participants may be “at-risk” due to trauma, neglect, abuse, socioeconomic status, or, more frequently, a combination of these situations. We use a holistic approach including Equine Assisted Psychotherapy, tutoring, mentoring, and vocational training. Our goal is to teach participants how to be in healthy, whole relationships, knowing this will lead to further transformational healing.

Who are you?

We are looking for passionate, motivated university juniors or seniors enrolled in a B.S. or B.A. degree program related to the position or a combination of relevant work experience. The non-profit life can get hectic at times, so we need detail-oriented self-starters who aren't afraid to ask questions and think innovatively. As a CORRAL intern, you have strong verbal and written communication skills, including public speaking and interpersonal communication. You are willing to resolve conflicts and make big decisions. Although we do serious work at the farm, we don't always take ourselves so seriously. You'll thrive in our fun, collaborative space that's filled with supportive people. Here at CORRAL, you will find a group of people who will become your network and push you into your future endeavors. While our staff loves to work together, and so do you, you also possess the ability to work independently with self-direction. Prior horse knowledge is not required to excel at this job, but a willingness to learn is!

About the internship

At CORRAL, we don't just give our interns leftover projects. Your time with us will be filled with opportunities to produce meaningful and impactful work. Our interns are exposed to a variety of aspects of running a non-profit and are given organizational ownership over their projects. We value growth as a team and as individuals, so interns will have bi-weekly performance feedback check-ins with their manager. Education Interns typically work 20 to 30 hours per week, with flexible hours available between 11-7pm on Tuesday and Thursday, and 9-5pm on Saturday during the programming year (late August through early June).

What you'll do

- Work with participants 1-on-1 or in small groups to support them in their education
- Support IEPs and follow educational interventions for participants
- Assist in managing our tutor team
- Develop classroom management skills
- Conduct check-in or check-out with participants
- Liaise between CORRAL & schools
- Mentor participants

Desired/preferred qualifications

- Experience working with high-risk youth
- Relevant course experience (Education, Psychology, Sociology, Program Management, etc.)

How to apply

To apply for an internship with CORRAL at the Cary Location (3620 Kildaire Farm Rd. Cary, NC 27518), email your resume along with a short personal introduction to jobs@corralriding.org & kathryn.weber@corralriding.org. Please include the position you are applying for in the email subject.
